More information on contents of consulting services is available at www.tress-tress.com/products.html

What includes a consulting service?

- ▶ We work with your academic unit to increase your unit's performance in the respective field

How does it work?

- ▶ Objectives, content and mode of instruction are agreed jointly
- ▶ Each service is tailored to your institution's needs

Who can book consulting services?

- ▶ Any academic group who prefers to have advice on strategic development of their group
- ▶ Typically booked by research coordinators and leaders of academic institutions and programmes

What is included in the fee?

- ▶ We offer a fixed fee for the consulting service, defined before the service starts.

How to book consulting services?

- ▶ Contact us to receive an offer for a consulting service of the topic of your choice and at your preferred location and time.
